

# HHS Homecoming 2014

## September 27, 2014

### Memorial Coliseum - Fort Wayne, IN

---

Huntington High School was a special place during an important time in our lives. Those of us who graduated prior to the inevitable changes which occurred after consolidation in 1967 were very fortunate to have been part of an era at HHS and the community of Huntington which has long since passed but shall never be forgotten.

We were all blessed to have been a part of Huntington High School history comprised of wonderful teachers, academic, musical and athletic excellence and most of all schoolmates and classmates of extraordinary character.

It is our goal to bring together former students from that very special time to celebrate and offer tribute to HHS. We can all come together to recall fond memories, renew old friendships and make new friends all sharing a common bond, graduation from Huntington High School.
