

NARFE CHAPTER 190  
EXECUTIVE BOARD MEETING 2/27/2014

CALL TO ORDER: 2:05 PM

ROLL CALL SECRETARY –  
Tony, Carl, George, & Kandy

California State Convention for 2015 was discussed. Location is San Luis Obispo. The hosting chapter is looking for volunteers from other chapters to assist. George mentioned the state has offered it's officers as committee chairs. More information is needed before we can decide on what type of help to provide.

Funding for the National Convention 2014 in Orlando was discussed. In the past the chapter has funded the President (or his designee) to attend paying travel expenses as well as registration fees, etc. However, with the decline in membership the treasury is dwindling. The need to curtail expenses is needed. George mentioned he wants to attend the convention. Lodging is \$99 a night plus airfare. Tony stated the chapter would pay for registration and banquet ticket, if state does not cover George's registration. Since George holds a state legislative position it is probable the state will pay some of his expenses. Once George finds out which expenses the state will cover, we can discuss remaining expenses and what to fund. It was discussed that the elimination of the travel expenses to all conventions would be eliminated for the president due to budget restraints.

Meeting adjourned 2:30 PM

Kandy Giblin, Secretary
