OUR VISION MOVING FORWARD IN THE WAKE OF COVID-19: ADAPTING TO THE NEW NORMAL

Greetings my beloved! Please be assured that the Circle of Hope Ministries remains steadfast and uncompromising in its mission to "Serve God by Serving Others". We get our marching orders from the Gospel of Matthew, chapter 25, verses 31-40, where the Lord commended those whom He deemed "righteous" by saying, "When I was hungry, you fed me; when I was thirsty, you gave me drink; when I was a stranger you took me in; when I was sick, you visited me; when I was in prison, you came unto me." Those who were His followers, in a state of utter confusion, cried out, asking the Lord, "When did we do those things for you?" The Lord simply replied, "That which you do unto the least of these my brothers and sisters, you also do it unto me. " Yes, my beloved, we serve God by serving others.

We have a big, bold vision to develop the Hope Village Inn Residential Community on a 3.5 acre tract of land that we own. Our new campus will consist of a multipurpose building, 3 villas, 3 cottages and 2 guest buildings (each with 5 studio apartments) and a recreational park. Please note that one villa, one cottage and 2 studio apartments will be constructed to comply with the Americans with Disabilities Act (ADA) to accommodate disabled residents. This undertaking will cost \$3.5 million, and since June 2021, when we launched our Capital Campaign, because of your generosity and two major grants from the Coastal Community Foundation, totaling \$150,000, we have raised \$210,000 to help finance the development. We are now selling the Hospitality House and hope to realize a minimum of \$100,000 in net proceeds to help fund our development. We are presently negotiating a joint loan from First Federal Bank and the United States Department of Agriculture. To secure financing, we must make a \$500,000 down payment. So we need your continued support to make this vision a reality. Please make a cash contribution now and pledge support for the next three years. The Circle of Hope Ministries is a 501c3, faith-based, tax exempt, charitable organization and because you will not receive any goods or services for your contributions, your donations will be tax deductible. Thank you for all that you have done and have a safe, sacred, and joyful Christmas. God bless you!
