

### Lesson 3: Geological History

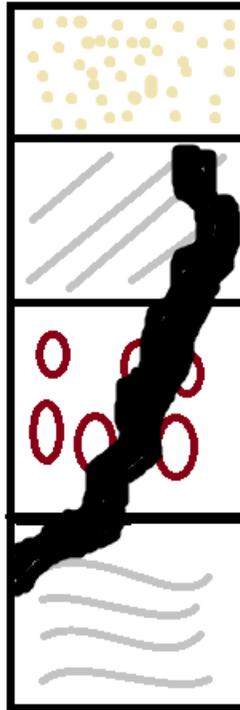

Name: \_\_\_\_\_ Class Period: \_\_\_\_\_

Directions: The lesson below will help you better understand the geological history of the Earth. On each picture below, you will mark the rock layers from oldest to youngest. For example, you will mark the oldest rock on each picture with a number "1." If you are on a computer, by clicking the button in the top right hand corner, you will be able to access a video to explain these processes. You can also use a phone or tablet to scan the QR code at the top right for a video explanation.
