To Whom It May Concern:

Stacy Patrick joined our predecessor firm in 1981 and became a shareholder. Stacy proved to be a tremendous asset to our firm and moved through the ranks to Partner. With the extensive experience she brought to the table, Stacy spent a significant amount of time assisting clients in various aspects of their business. Stacy was also very active in community service organizations. While the firm was sad to see her go, we were all happy for her approaching marriage and the accompanying change in lifestyle she very much looked forward to. To this day we remain good friends as well as colleagues. Based on my association and experience, and having known her for such a great length of time, I am confident Stacy will succeed in all her future endeavors.

Very truly yours,

CHERRY, BEKAERT & HOLLAND, L.L.P.
