Long Island's Complete Services Leader

An open letter to Long Island Project and Operations Managers, Including Contractors who require an additional Manpower Source

from Al Scarpelli,
President of COMPLETE SERVICES at Grime Busters Inc.

If you're responsible for a multi apartment dwelling, or a municipality with rental apartments, a group home of any kind, a medical facility with emergency vehicles, a manufacturing facility that relies upon high standards of cleanliness, or if you're an established Contractor in need of talented manpower, you can count on The Complete Services Team at Grime Busters New York. We are specialists at sanitizing with our 260 degree Steam Cleaning protocols that remove 99.99% of pathogens, including the Covid-19 virus. We are also experienced at graffiti removal, large and small renovations and repairs, interior and exterior painting, assorted maintenance responsibilities, including, but not limited to small and large scale power washing and office cleaning. It is our goal to not only be considered your outside vendor, but to be relied upon as an affordable manpower extension when you want and need us the most. We can create services and scheduling tailored to your specific needs. I can meet with you in person to better explain our complete services options at your convenience. I can be reached at 516-250-3480. At your service year 'round. Al

LONG ISLAND'S COMPLETE SERVICES LEADER!

Since 1993, Grime Busters Inc. and our Complete Services division have worked commercially with **U-Haul**, executing projects like full building renovations, interior and exterior power washing and painting, including all fine work relating to the rendering of their graphics, signs, and logos. Nearly all U-Haul facilities located on Long Island and Queens required that we perform storage unit installations, metal fabrication repairs, build ADA compliant bathrooms, showrooms and other performance adherent construction over a ten year period. We became proficient in all areas necessary to the U-Haul brand.

Other companies we have successfully served include **Schapper Engineering of California, Triangle Properties, Entennman's Bakeries, and Severoli Pasta of Garden City.** We also do many types of cleanups similar to ServPro including, but not limited to power washing, pre and post construction debris removal, degreasing, and all general building maintenance requirements.

We are experienced in small jobs and full turnkey projects. A complete list of our commercial and residential services can be found on another sheet in this folder. When it comes time to hire the experienced manpower that you will need to bring your projects in on time and within budget, who you gonna call? We hope it's **the Complete Services team at Grime Busters NY.**

We Clean, Paint, Stain, Repair, Assemble. Rebuild, Restore, Renovate, Rejuvenate and Refurbish, anything and everything, as we have so successfully for big and small residential and commercial venues since 1993. We are fully capable, licensed, and insured. Let us work within your budget to provide the services you require. We love what we do and it shows.

LONG ISLAND'S COMPLETE SERVICES LEADER!

WHAT OUR CUSTOMERS ARE SAYING :

"Al's attention to detail is amazing. I hired his Complete Services team at Grime Busters New York to assist me in my capacity as Project Manager of U-Haul's Nassau, Suffolk, and Queens properties for a prolonged period of 12 years. Over time, I discovered that when you called in Al and his crew for any kind of restoration or renovation in what easily amounted to hundreds of buildings, you could always count on him to strictly adhere to the agreed upon time frame and budget". *G. Hammel*

LONG ISLAND'S COMPLETE SERVICES LEADER!

WHAT OUR CUSTOMERS ARE SAYING :

"White Castle patrons in both Long Island Counties and Queens expect a consistent look to all locations, both inside and out. Schapper Engineering of California gave Al Scarpelli and his renovation experts the task of renovating a number of locations that were to retain the White Castle "look" throughout. They didn't disappoint. As Project Manager overseeing the task, I have to say that they completed their unique job to everyone's satisfaction at corporate, and we are recommending them to others in need of those talents."

E. Papenfuhs

LONG ISLAND'S COMPLETE SERVICES LEADER!

WHAT OUR CUSTOMERS ARE SAYING :

"As a controlling partner at Triangle Properties, I oversaw the work completed for our subsidiary at United Rental Group, all performed by Al Scarpelli and Grime Busters/Complete Services staff who were called in to renovate numerous rental buildings for us in Farmingdale. I couldn't be more satisfied with their work ethic and their price. A total win-win for us in both categories". *R. Yafee*

"Renovating a total of ten Entenmann's Bakery buildings on site in Bayshore (all built circa 1900) proved to be no easy task, but Complete Services and their talented crew managed to bring them home functionally and beautifully complete, and most importantly, within budget. As the Project Manager of each one, Al Scarpelli and his workers made oversight very enjoyable". *B. Benson*

"Multiple buildings in our food product warehousing unit needed renovating inside and out when we contracted Al Scarpelli and his Complete Services crew. What an amazing result. As Engineering Manager at Severoli Pasta, I never encountered an outside vendor who took such great pains to adhere to his agreed upon work performance and charges". *J. Stancheck*

"As a small business entity, it's very important to me that my ongoing improvement dollars are spent wisely. It turns out that Al's Grime Buster Complete Services Team are just what I was waiting for. Painting, Power Washing, and everything else they did to get my location into extraordinary shape, all for a price that no one was able to beat is what a business can rely upon. They even poured a floor that will stand me the test of time. Al, you and your guys have a very satisfied return customer here!" *T.Napoleon*
